External Examiners

Academic Registry provides central support for, and oversight of a number of key areas of activity which relate to:

- Support for the assurance of quality and standards of both taught and research programmes
- Academic programme support, particularly for the assessment process
- Student casework processes in respect of academic misconduct, appeals, complaints, discipline, and fitness to practise
- Teaching timetabling and attendance monitoring
- The arrangements for examinations and degree ceremonies.

- **Academic Registry Service Objectives**
 - Student and Assessment policy and process readiness for a more agile, flexible university
 - Administration and data policy and process readiness for metrics-driven data-dependent future (OfS/TEF/Data Futures etc)
 - Quality framework policy and process readiness for new national framework and institutional priorities
 - Supporting the Medical School and wider growth in health provision
 - Autorooming of teaching timetabling
 - New approach to student engagement monitoring and action
