

# Faculty of Health Sciences and Wellbeing - Programme Specifications

Please note that these programme specifications relate to course content for programmes available during 2018/19. For new programmes, the programme specification will be made available online prior to the start of the course. The information on these pages should not be used to confirm if a programme is recruiting in the current academic year. Programme Specifications for the next academic year will be made available in August.

## **Integrated Foundation Year**
