

# Are you Club of the Month?

Here's your opportunity to see your club recognised across the University - but hurry, the deadline closes soon.

Following on from the success of last month's club of the month presentations by the Vice-Chancellor, Sir David Bell, to our winners for October and November, Pole Fitness and Cheerleading respectively, entries are open for the December award.

Team Sunderland is committed to recognising the achievements of our teams this year and club of the month is a great way to showcase your team's successes.

Team Sunderland President Natalie Gray said: "We are looking for teams to demonstrate their commitment, improvement and dedication across the month. The winning club gets a certificate and personalised engraved trophy while also having their achievements displayed across the university."

She added: "Our Vice-Chancellor Sir David Bell KCB will again be selecting the Club of the Month and will be presenting the award for December."

**Entries close on Monday 14 January at 2pm, for more information contact Natalie at [natalie.gray@sunderland.ac.uk](mailto:natalie.gray@sunderland.ac.uk)**
