Programme Specifications contain detailed course information which is used primarily as part of internal programme approval, quality monitoring and review processes. Please note that these programme specifications relate to course content for programmes available during 2018/19. For new programmes, the programme specification will be made available online prior to the start of the course.

The information on these pages should not be used to confirm if a programme is recruiting in the current academic year.

Programme Specifications for the next academic year will be made available in August.
