

Enterprise

The Enterprise Place is the perfect environment for entrepreneurial students and graduates from any discipline to turn their business or freelance ideas into reality.

The service brings together budding student and graduate entrepreneurs at all stages of their development and supports them to either set up their own business or launch their freelance career.

Membership of The Enterprise Place is awarded upon a successful application process and pitch to a panel. Members then gain access to a host of benefits, including:

- Free hot desk space and IT resources
- Specialist advice and support
- Enterprise master classes
- Access to business specialists and networking opportunities

The Enterprise Place is funded through the European Regional Development Fund.

The Enterprise Place is a fantastic opportunity to get a head start in the world of business or freelance opportunities. We would love to have a chat with you about your work and how we may be able to help you discover if starting your own enterprise is right for you!
