

Prepare for LIGHTS OUT

The University of Sunderland is pleased to announce its support for LIGHTS OUT, a new Halloween experience in Sunderland for all to enjoy...

From Friday 25 October - Sunday 3 November, a city-wide spooktacular event will bring together terribly good events, devilish displays and wicked offers. There are plenty of tricks and treats to get in involved if you're brave enough.

DON'T BE AFRAID TO LOOK UP

Look out for a tentacular installation on a key Sunderland building - should be quite a backdrop for **October selfies!**
