

Canvas

The University's New Virtual Learning Environment has arrived!

HELP

The University of Sunderland has secured help for all students at 24/7/365 capacity. This means that you can always get somebody to ask for help by clicking the Help icon at the bottom left hand side of the main blue navigation menu.

A handout guide for staff getting started with Canvas is available here:

MOBILE

Canvas works well on mobile and tablet web browsers, but it also has its own apps which work equally well on Apple and Android devices.

The **Canvas by Instructure** app works is available for iOS and Android phones and tablets.
