

Study Abroad

The University offers the Study Abroad Programmes which enables you to spend one or two semesters studying at one of over 300+ universities across the world. Opportunities are available in Australia, Canada, Japan, Singapore, South Korea, USA and across Europe. The time you spend abroad replaces the time you would have spent in Sunderland so there is no need to extend your studies. Plus the credit gained from the time spent abroad will be transferred back to your records in Sunderland.

Study Abroad is available for a number of undergraduate programmes and you would study abroad during the second year of your studies.

More information can be found at www.sunderland.ac.uk/studyabroad or come and see us at the [Freshers' Fair on Wednesday 25th September 2019](#)
