

# What's New

This page summarises significant changes to the Handbook that you should make yourself aware of - please follow the links and read the documents.

We've clarified the importance of [notifying us if you acquire a criminal conviction](#), whether that is after you make an application to the University but before you enrol, or while you are an enrolled student with us.

The University has introduced a new policy on voluntary withdrawals, [which you can find here](#). It's really important to note that if you do decide to withdraw, [we take your date of withdrawal as the date you submit the withdrawal form](#).

The Fees Policy is updated every year, and you should [make sure that you are familiar with it](#).
